Greetings Chris,

The Brunswick Glynn County Mayor's Committee on Services for the Disabled, Inc. extends a heartfelt thank you for your co-sponsorship of the 11th Annual "Spring Fling" that took place on Saturday, April 14, at Mary Ross Park, Downtown Brunswick. This event, held for disabled citizens, regardless of age or type of disability, and the general public, was our biggest and best yet. Your contribution of a gift basket of coffee and chocolate was greatly appreciated and helped us provide a full afternoon of fun, food, activities, live entertainment, and information on local disability related services.

We plan to hold the 12th Annual "Spring Fling" in 2013 and hope you will join us again and help make next year's "Spring Fling" even better.

Sincerely,

Steve Oldaker
Chairman
